

2 Puttering by the sea Course

UMIZOI POTTERING COURSE

About **20** km

Time:1hr
Altitude:55m

For beginners ~ intermediate level

A puttering course that starts from Natori Cycle Sports Center~Yuriage Port Morning Market, ride along the coastal embankment towards Sendai Airport. Enjoy the resting spots on the way and the take-off and landing of planes.

Yuriage Port Morning Market

Located near the Yuriage fishing port where red clams and whitebait are caught, Morning Market is held on Sundays and national holidays. Maple Pavilion is open on weekdays.

Michinoku Coastal Trail Natori Trail Center

You can find information needed for the Michinoku Coastal Trail here, it is also a facility that transmits 'long trail' and 'hiking culture'.

Kitagama Emergency Park

A park where you can watch take-off and landing of planes closely. Also has playground equipment, popular spot for aviation enthusiasts and families with kids.

Sendai Airport

At Cycling Port, tools for assembly, disassembly and maintenance of bicycles are available for rental. Also large lockers available for wheel boxes.
